

Estill County Animal Shelter Receives Donation From Kentucky Cattlemen's Association

The Kentucky Cattlemen's Foundation announced on Wednesday, July 10, 2013, that the Estill County Animal Shelter will receive \$750 from the Animal Shelter Assistance program.

The Animal Shelter Assistance program was funded for the third year from a donation made by Boyle County cattle farmer Jim Gage. Gage realizes the importance of helping your local animal shelters and knows that both farmers and shelters are in the business of taking care of animals. "I like donating to local animal shelters because I can see the animals and know who my donation is helping," states Gage.

Wallace Taylor, Estill County Judge Executive is very thankful to receive the extra funding. "This facility operates off of limited funds, and that is hard when you are servicing five counties," stated Taylor "We have worked very hard towards our goal of a no kill facility and I am very proud of the progress we have made." The group plans to use the money to spay/neuter all animals that are adopted from their animal shelter.

If you would like to make a donation to Estill County Animal Shelter please contact them at 606-723-7524 or visit <http://www.petfinder.com/shelters/KY125.html> for more information. The shelter is always in need of cleaning supplies and paper towels if you would like to make a donation.

In its third year the Animal Shelter Assistance program received 25 applications from across the state.

The Kentucky Cattlemen's Foundation mission is to pursue opportunities that promote the profitability of the cattle industry in Kentucky through educational and philanthropic endeavors. For more information visit www.kycattle.org or call 859-278-0899.
