Thank You

We, the family of Henriella Thomas, are forever thankful for the love, kindness, food, flowers, visits, and most of all the prayers that were said. A very special thank you to Vada Combs, the Irvine Health Care Center for the loving and continuous care that each person gave her and our family, Marcum & Wallace Memorial Hospital and their nurses aides and complete staff who treated her with the upmost respect as her condition was a special need. We can never have words to express the way we feel about Dr. Haher Kassis, his bedside manner, the time he took to talk and explain to us. He went beyond his call of duty for our family. There were times when all of the above came to our needs.

Thanks to the Warren F. Toler Funeral Home and staff for their unforgettable kindness, the beautiful songs from our double-first cousins, the Thomas Boys and Debbie, and Bro. Rick Kirby whose words would have been exactly what our mother would have wanted. Thanks to all our friends for the phone calls and daily checks. We will never, ever forget the faithful visits that Kenny and Faye Embry made to the assisted living place for five years and then to IHCC and Marcum & Wallace on a regular basis. What a testimony they live. There were friends who did check on our mother each day as they visited their family. A special thanks to them.

The loving family of our mother,
Henriella Thomas
