Medicare News

Medicare Open Enrollment Assistance

Medicare Open Enrollment period began October 15th and ends December 7th. Plan costs and coverage change each year, so everyone with Medicare should review their plan to make sure it will continue to meet their health needs and budget. There may be a Medicare health or drug plan available with better coverage or lower costs in 2014.

The Estill County Senior Center has trained benefit counselors to assist Medicare beneficiaries in reviewing coverage options and plan enrollment. Our annual Medicare Open Enrollment Event is scheduled for Thursday, November 7, 2013 from 9 am until 3 pm at the Estill County Senior Center located at 100 Golden Court, Irvine.

In order to receive enrollment assistance, provide the following information:

- Name as it appears on your Medicare card
- Medicare Claim Number
- Effective date for Part A and/or Part B
- Mailing Address
- Telephone Number
- Current list of medications, including milligram and dosage
- Name of your pharmacy

Due to the large number of individuals seeking assistance at our annual event, we will begin individual plan comparisons October 15th. If you have received enrollment assistance through our agency in the past, then it is not necessary to attend our enrollment event. Simply provide an updated medication list, staff will perform a plan comparison, and notify you by phone or mail of recommended changes. If we have not assisted you in the past, and you are unable to attend our enrollment event, then you can pick up a personal information sheet from our agency, complete and return it to our office. Staff will perform a plan comparison and notify you by phone or mail of recommended changes.

There is no charge for assistance and it will be available through November 25, 2013. After that date, requests for help will be referred to Medicare. For more information, please call the Estill County Senior Center at (606) 723-4787.
