Maudie's Naughties

Bus Ride

A drunken man gets on the bus late one night, staggers up the aisle, and sits next to an elderly woman.

She looks the man up and down and says, "If you don't change your ways, I know where you're going."

The man jumps up out of his seat and shouts, "Oh, no. I'm on the bus to Hades and I'm sitting next to Satan's sister."

New Glasses

Ma goes to an eye doctor to have her eyes checked for glasses. The doctor directs her to read various letters with the left eye while covering the right eye.

Ma is so mixed up on which eye is which that the eye doctor in disgust takes a paper sack with a hole to see through, and puts it on her head to cover up the appropriate eye and asks her to read the letters.

As he does so, he notices Ma has tears streaming down her face. "Look," says the doctor, "There's no need to get upset about getting glasses."

"I know," says Ma, "But I kind of had my heart set on wire frames."

Ugly Faces

Finding one of her students making faces at others on the playground, Ms. Smith stops to gently correct the child.

Smiling sweetly, the teacher says, "When I was a child, I was told if I made ugly faces my face would freeze like that."

The student looks up and replies, "Well you can't say you weren't warned."

Bad Habit

Allison loves sucking her thumb. She is now five years old but hasn't stopped the bad habit. With an effort to stop her from this bad practice, Allison's mother tells her that her stomach will swell and will finally burst if she doesn't stop the habit. The little girl stops the habit immediately.

A month later, Mrs. Blecker, who is expecting her first child, pays them a visit. When Allison comes in to greet her she stops first to stare at Mrs. Blecker's tummy, then says without hesitation "We know what you've been doing, and you'd better stop it fast."

Want to Dance?

A guy goes up to this girl in a bar and says, "Would you like to dance?"

The girl says, "I don't like this song, but even if I did, I wouldn't dance with you."

The guy says, "I'm sorry, you must have misunderstood me, I said you look fat in those pants."

Flying

A plane is taking off from Kennedy Airport. After it reaches a comfortable cruising altitude, the captain makes an announcement over the intercom, "Ladies and gentlemen, this is your captain speaking. Welcome to Flight Number 293, nonstop from New York to Los Angeles. The weather ahead is good and therefore we should have a smooth and uneventful flight. Now sit back and relax" (Suddenly he screams.)

Silence follows and after a few minutes, the captain comes back on the intercom and says, "Ladies and Gentlemen, I am so sorry if I scared you earlier, but while I was talking, the flight-attendant brought me a cup of coffee and spilled the hot coffee in my lap. You should see the front of my pants!"

"That's nothing!" says a passenger in coach, "He should see the BACK of MINE!"

Late Night

Pa is leading a city cousin through the woods late one night. The cousin asks, "Is it true that a bear won't attack you if you carry a flashlight?"

"Well," says Pa. "Depends on how fast you carry it."

Permission to Wed

A young man says to his girlfriend's father, "I realize that this is only a formality . . . but would you mind me marrying your daughter?"

"Who says it's ONLY A FORMALITY?" asks the father angrily.

"Her obstetrician!" replies the young man.

Photog

A car is involved in an accident in a street. As expected a large crowd gathers. A newspaper reporter, anxious to get his story could not get near the car. Being a clever sort, he starts shouting loudly, "Let me through! Let me through! I am the son of the victim."

The crowd makes way for him.

Lying in front of the car is a donkey.

Seconds

Pa grabs his plate at the reunion and walks up to load it up for the fourth time.

"Aren't you embarrassed to go back for so many helpings?" asks Ma.

"Not a bit," Pa replies, "I keep telling them it's for you."

Letter To The Editor

Thanks To Judge Taylor For Helipad At Hospital

Dear Editor:

The Christmas season is upon us and it's a wonderful time to reflect and rejoice on the blessings from the past year. It is a time for Thankfulness and appreciation and I am especially thankful for our County Judge Executive, Wallace Taylor and his support of the construction of the helipad at Marcum & Wallace Memorial Hospital.

The completion of the helipad would not have been possible without our County Judge, and his hardworking, dedicated team from the Estill County Road department. The employees of the road department worked

extremely hard during hot summer days to ensure the completion of the project.

Additionally, the result of the project was a true team effort that involved the support and direction of many which includes Scott Jones who designed the project and dedicated many week-end hours to ensure we were meeting the guidelines; MWMH Staff; Estill County EMS; Staff from County Judges office; USDA John Johnson, Vernon Brown, and Tom Fern; Congressman Chandler; "Air Methods" aviation; Irvine Fire Department; Estill County Magistrates; Fred Rogers;

Tony Durham; Glen Wise; Glynn Tucker; County Attorney and MWMH Board Chairman, Rodney Davis; MWMH Board of Trustees; and Catholic Health Partners.

From start to finish, the project was a great example of team work and what can be accomplished when entities work together for a common goal. The goal was to help our community and we now have a landmark on our hospital campus to assist patients and increase their access to care.

The light that shines from the helipad is a beacon of hope for patients who must

be transported during their most critical time of need. While it is our hope that individuals in our community never need to use the helipad, we know health scares and emergencies are going to happen. And we want you to know that we are here for you, ready to provide the care that you need.

Again thank you all for your hard work to make this happen.

Blessings and Merry Christmas to all!

Sincerely,

Susan Starling,
