SNEAKING IN THEIR GOODIES ON YOUR DIME.

Maudie's Naughties

Anything you want . . .

A guy meets a street lady in a bar. She says, "This is your lucky night. I've got a special game for you. I'll do absolutely anything you want for \$300, as long as you can say it in three words."

The guy replies, "Hey, why not?" He pulls his wallet out of his pocket, and one at a time lays three hundred-dollar bills on the bar, and says, slowly: "Paint ... my ... house."

Snail Away

A guy is sitting at home when he hears a knock at the door. He opens the door and sees a snail on the porch. He picks up the snail and throws it as far as he can. Three years later, there's a knock on the door. He opens it and sees the same snail. The snail says "What the heck was that all about?"

Eternal Selection

A guy dies and is sent to Hell. Satan meets him, shows him doors to three rooms, and says he must choose one to spend eternity in. In the first room, people are standing in sewage up to their necks.

The guy says "No, let me see the next room."

In the second room, people are standing with sewage up to their noses. The guy says no again.

Finally, Satan opens the door to the third room. People are standing with sewage up to their knees, drinking coffee and eating danish pastries.

The guy says, "I pick this room."

Satan says okay and starts to leave, and the guy wades in and starts pouring some coffee. On the way out Satan yells, "O.K., coffee break's over. Everyone back on your heads!"

Turn It Off

On a passenger flight, the pilot comes over the public address system as usual and to greet the passengers. He tells them at what altitude they'll be flying, the expected arrival time, and a bit about the weather, and advises them to relax and have a good flight.. Then, forgetting to turn off the microphone, he says to his co-pilot, "What would relax me right now is a cup of coffee and some romance."

All the passengers hear it. As a stewardess immediately begins to run toward the cockpit to tell the pilot of his slip-up, one of the passengers stops her and says "Don't forget the coffee!"

Bear Trouble

Two campers are walking through the woods when a huge brown bear suddenly appears in the clearing about 50 feet in front of them. The bear sees the campers and begins to head toward them. The first guy drops his backpack, digs out a pair of sneakers, and frantically begins to put them on.

The second guy says, "What are you doing? Sneakers won't help you outrun that bear."

"I don't need to outrun the bear," the first guy says. "I just need to outrun you."

Snake Bite

Bubba and Howard Green are hiking in the woods when Bubba is bitten on the rear end by a rattlesnake.

"I'll go into town for a doctor," Howard says. He runs ten miles to a small town and finds the town's only doctor, who is delivering a baby. "I can't leave," Doc says. "But here's what to do. Take a knife, cut a little X where the bite is, suck out the poison and spit it on the ground."

Howard runs back to Bubba, who is in agony. "What did the doctor say?" Bubba asks.

"He says you're gonna die."

Redneck Genie

Bubba, Junior and Howard Green are out hiking in the snow on Chestnut Stand. The sun starts to go down, and they didn't bring a light. It's getting colder and colder, so they continue to push on in the dark. Bubba stumbles over something in the snow and picks up a lamp. He takes the lid off and a genie comes out. "I'm the redneck genie," he says. "I will give you three wishes."

"Alright," says Bubba, "I just want to be back home with Elrene in front of a good, warm fire!" Poof, he's gone.

Howard decides he wants to be at a UK basketball games on the lower level. Poof, he's gone.

The genie turns to Junior and says, "Well, it's your turn. What do you want?"

"It's really lonesome out here," replies Junior. "I'd just like to have Bubba and Howard back here with me."

Payback

Two guys are walking down the street when a mugger approaches them and demands their money. They both grudgingly pull out their wallets and begin taking out their cash. Just then one guy turns to the other and hands him a bill. "Here's that \$20 I owe you," he says.

Investigations ongoing into recent burglaries

The Estill County Sheriff's Department is investigating a recent round of burglaries.

A first degree burglary was reported on January 15 at the home of Randolph Moreland on Furnace Junction Road. It was investigated by Deputy Russell Morris.

The deputy's report states that a perpetrator kicked in the back door of Moreland's home and left through the front door.

Among the items taken was a shotgun, which makes this burglary a first degree one.

Also taken were a flatscreen television, a jewelry box with jewelry, a tablet, and a laptop computer.

A residential burglary was also reported January 17 at the home of Rebecca Blevins on Sand Hill.

It was investigated by Deputy Randy Farthing.

The intruder broke in the back door of the home, unlocked the front door, and left out it.

A large amount of jewelry was taken, however, some

jewelry was placed in a pillowcase and left outside the home.

Deputies have been given descriptions of suspect vehicles in both these burglaries.

Wolfgang Born of Cressy Road reported a third degree burglary on January 26. Locks on three outbuildings were broken and one lock was pried.

He reported that a chainsaw was taken. An inventory of other missing items is pending.

Stevie Barnes of Race Track Road reported a third degree burglary of an outbuilding on January 24.

A 500 foot roll of 10-2 wire covered with grey insulation was reportedly taken.

Deputy Farthing, who investigated Wolfgang and Barnes' burglaries, said a lock was cut to gain entry into Barnes' outbuilding.

Anyone with information on these burglaries may contact the sheriff's office at 723-2323 during business hours or 723-2201 after hours.
