NOTICE

Notice is hereby given that on January 17, 2014 Kentucky Utilities Company ("KU") filed an application with the Public Service Commission, Frankfort, Kentucky for approval of revisions in its Demand-Side-Management and Energy-Efficiency ("DSM/EE") program portfolio, as shown in KU's Adjustment Clause Demand-Side Management Cost Recovery Mechanism ("DSMCRM") tariff and the resulting changes in its DSMCRM charges. In its application, KU notified the KPSC that the revised DSMCRM tariff sheets are proposed to become effective on and after February 16, 2014; however, because KU anticipates the Commission will suspend the proposed changes in the DSMCRM tariff to conduct an investigation of the proposed changes, KU has asked the Commission to approve the proposed changes in its DSM/EE program portfolio and resulting increases in the charges under the DSMCRM mechanism in its DSMCRM tariff to be effective on January 1, 2015.

The proposed changes to the DSM/EE program portfolio, if approved, will result in an increase in the charges calculated under the DSMCRM mechanism. The increase charges for all affected electric rate classes are as follows:

Residential Service Rate RS, Volunteer Fire Department Service Rate VFD, and Low Emission Vehicle Service Rate LEV			
Current Charge per kWh	Proposed Charge per kWh	Difference per kWh	% Change
\$ 0.00349	\$ 0.00378	+ \$ 0.00029	+ 8.3%

General Service Rate GS			
Current Charge per kWh	Proposed Charge per kWh	Difference per kWh	% Change
\$ 0.00238	\$ 0.00222	- \$ 0.00016	- 6.7%

All Electric School Rate AES			
Current Charge per kWh	Proposed Charge per kWh	Difference per kWh	% Change
\$ 0.00088	\$ 0.00101	+ \$ 0.00013	+ 14.7%

Power Service Rate PS, Time-of-Day Secondary Service Rate TODS, and Time-of-Day Primary Service Rate TODP			
Current Charge per kWh	Proposed Charge per kWh	Difference per kWh	% Change
\$ 0.00067	\$ 0.00069	+ \$ 0.00002	+ 3.0%

KU projects that the monthly bill impact of the new DSM/EE programs and program enhancements will be an increase of \$0.29 per month for a KU residential electric customer using 1,000 kWh per month.

This tariff filing may be examined at the office of Kentucky Utilities Company, One Quality Street, Lexington, Kentucky, or on Kentucky Utilities Company's website at www.lge-ku.com.

This tariff filing may also be examined at the Commission's offices located at 211 Sower Boulevard, Frankfort, Kentucky, Monday through Friday, 8:00 a.m. to 4:30 p.m., or through the Commission's website at <http://psc.ky.gov>.

Comments regarding this tariff filing may be submitted to the Public Service Commission through its website or by mail to Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602.

The proposed changes to the DSM/EE program portfolio and associated increase in the charges calculated under the DSMCRM mechanism contained in this notice are proposed by Kentucky Utilities Company. The Public Service Commission may order changes to KU's proposed DSM/EE program portfolio that may result in charges under the DSMCRM mechanism that differ from the proposed charges contained in this notice.

A person may submit a timely written request for intervention to the Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602, establishing the grounds for the request including the status and interest of the party. If the Commission does not receive a written request for intervention within thirty (30) days of the initial publication or mailing of the notice, the Commission may take final action on the tariff filing.
