Middle School Wins 2nd Place At Regional Science Olympiad

The Estill County Middle School recently competed in the regional Science Olympiad tournament at Bluegrass Community and Technical College in Lexington. Estill won second place out of 11 schools and brought home a nice trophy. Individual team members won medals in the following events:

Caleb Stickney and Hunter Smith got first place in all five of their events: Dynamic Planet, Road Scholar, Meteorology, Solar System, and Rocks and Minerals. Garrett

Abney and Austin Gill won first in Entomology. Austin Gill and Kendra Hoover won first in Rotor Egg Drop and third in Helicopters. Josiah Miller and Stephen Muncy won second place in Simple Machines, third in Robo-Cross, third in Sounds of Music, and third in Wheeled Vehicle. Congratulations to all the individual winners and the whole team for a strong showing. The team qualifies for state competition at Western Kentucky University in Bowling Green, April 12.

As I sit in heaven and watch every day,
I try to let you know with signs, I never went away
I hear you when you're laughing and watch you as you sleep
I even place my arms around you to calm you as you weep
I see you wish the days away, begging to have me home
So I try to send you signs so you know you are not alone
Don't feel guilty that you have life that was denied to me
Heaven is truly beautiful, just you wait and see
So live your life, laugh again, enjoy yourself, be free
Then I know with every breath you take,
You'll be taking one for me
