Out of the Comfort Zone

I want to say I have some awesome readers! When I need some help with the Wounded Warrior hunt, my readers are lined up to help. I hear so many kind words from you, my readers. I need your prayers with my upcoming decision.

A little over a year ago, a friend and I started doing side work in Lexington. We started putting in patios, landscape work, and wildlife habitat work. In a little over a year the side work has become a full blown full time job. Coming up in December we will be starting the biggest job of our small business. Our new business is called Corridor Land Services and this December 1st will be my full time job.

When I started writing a weekly column for the Tribune, it got me way out of my comfort zone. Now that I am a couple years into writing, I can't imagine not writing this column. In a month I will be self-employed and wow, that is really getting way out of my comfort zone! So hopefully in a few years I will say I can't imagine working any other way!

I know without a doubt God has got me to this point in my life. He has opened so many doors for me to start this new chapter in my life. I know with God as my captain, Corridor Land Services will be a success and this is where your prayers are needed.

I am not afraid of putting in

long hours. I am not afraid of all the headaches that come with owning a business. I am not worried about the poor economy we are in. I am scared to death of me! I am scared to death that I will try to go this alone and not follow the guidance of God. So ask for your prayers too, that Corridor Land Services follows God's will and not the will of the owners.

To all my faithful readers, thank you in advance for your prayers as I start this new adventure. To all that reads this column, don't be afraid to get out of your comfort zone. Especially get out of your comfort zone and spread the Gospel of Jesus! I know this has not been much of an outdoor column, but I hope it might inspire you to follow Gods will in your life.

Until next week, get out and enjoy God's creation!

**RE-ELECT
RODNEY G.
DAVIS
ESTILL COUNTY
ATTORNEY**

PROMISES MADE, PROMISES KEPT

Keeping promises to the Citizens of Estill County by taking action not words:

Our latest DUI conviction rate is 91.1%. Prior to my taking office the conviction rate was 66.7%. Since I have been in office this conviction rate has averaged 90%. **PROMISE KEPT!**

We have filed answers in every civil case where the county was named as a defendant and was properly served including more than 240 cases involving delinquent taxes. As a result we have collected over 2.5 million dollars in delinquent taxes that help support our schools, libraries and other taxing districts. **PROMISE KEPT!**

No criminal cases have been dismissed in district court for the failure of the Commonwealth or prosecutor to produce the required evidence. **PROMISE KEPT!**

We have collected over \$190,000.00 in cold checks and paid merchants almost \$32,000.00 in merchant fees for cold checks. **PROMISE KEPT!**

We have aggressively prosecuted defendants that violated the terms of their plea agreements by filing over 575 motions to revoke probation or conditionally discharged jail time. **PROMISE KEPT!**

Our office has been on call 24 hours, seven days a week for law enforcement to obtain search warrants, emergency mental health warrants or to simply ask for direction on a particular issue. **PROMISE KEPT!**

Our office is open Saturdays from 8:30 a.m. to 12 p.m. to allow citizens an opportunity to do business outside of the normal work week. **PROMISE KEPT!**

We have drafted legal documents for hundreds of thousands of dollars in grant applications that have brought both equipment and money to Estill County to better the community. **PROMISE KEPT!**

I have actually drafted all the ordinances and regulations for Estill County during the last eight years. A review of the records of the Estill County Court Clerk's Office will show that no other attorney, including my opponent, has drafted a single ordinance or regulation for Estill County. **PROMISE KEPT!**

We have drafted the majority of the search warrants for law enforcement in Estill County from murder cases to drug cases and since I have been in office not one single search warrant we have prepared has been overturned by a court. One was even affirmed by the Supreme Court of Kentucky. **PROMISE KEPT!**
