THE RELAY FOR LIFE GETS FROSTED OVER!

Estill Springs Elementary School
Saturday March 21st

It has been a long, cold winter and you are ready for spring but the Estill County Relay For Life team is bringing you one more round of snowy fun! For the first time in forever, there'll be magic, there'll be fun in the cafeteria of the Estill Springs Elementary School. Everyone's favorite Ice Queen and Snow Princess are traveling all the way from Arendelle to celebrate the queen's recent coronation and they would love for you to join them. The queen will tell the guard to open up the gates from 2:00pm to 5:00pm to the children of Estill County and all surrounding counties. Stop in anytime during those hours for interactive activities and one on one time with the queen and princess! Parents don't forget to bring your cameras and capture all these memories for your princess or prince.

\$5 minimum donation per child to attend
All donations go directly to the Relay For Life and their commitment to help people get well, stay well, find cures, and fight back against cancer.

Frosted Over, a benefit for Relay for Life will be held March 21st from 2-5 at Estill Springs Elementary cafeteria. The Ice Queen and Snow Princess will be there. For a \$5 minimum donation to the Relay for Life, parents can bring their child to meet us and have photo opportunities.
