

Eight year old Hagen Joe Marcum, left, killed his first deer during youth hunt weekend. His two-year-old brother, Brisen Cole Marcum, also wore hunter orange to have his photo made with his older brother. The boys are the son of Joe and Amber Rose Marcum.

TUESDAY

Celebrate Halloween Safely

This guidance is designed to help curb the spread of COVID-19. It will be reassessed and updated as the situation evolves and we learn more in the weeks leading up to Halloween.

At All Events / Activities

Wear a face covering.

Sanitize hands often.

Maintain six feet distance from others.

**Recommended Activities:
Trick-or-Treat the Safe Way**

If trick-or-treating is permitted in your community, please trick-or-treat the safe way.

- Place individually wrapped candy outside on the porch, driveway, or table.
- Maintain a social distance of at least 6 feet from anyone not within your household.
- Always wear a face covering. Halloween masks DO NOT count as a face covering.
- Clean hands before and after touching the wrapped candy.
- Trick-or-treat in family groups and don't congregate in large groups.
- Trick-or-treat in your own neighborhood. Do not travel to other neighborhoods.
- Use hand sanitizer often, especially after contacting frequently-touched surfaces and before eating anything.

Consider safe alternatives:

- Carve or decorate pumpkins for display
- Decorate your home or living space
- Have a virtual Halloween costume contest
- Watch Halloween movies with the people you live with
- Have a scavenger hunt for Halloween treats in and around your home
- Drive-by costume or car decorating contest with judges who are social distancing

AVOID high-risk activities:

- Traditional door-to-door trick-or-treating
- Trunk-or-treat events with large groups in parking lots
- Costume parties
- Haunted houses
- Hayrides or tractor rides
- Traveling to fall festivals in neighboring towns
- Any event with large crowds

REMINDER

- Stay home if you are sick
- If your child is at greater risk of complications from COVID-19, use extra caution and avoid moderate and high-risk activities
- Consider the people in your household who may be at risk of greater complications from COVID-19
- Focus on keeping Halloween fun and safe for children by avoiding adult activities that further increase the risk of COVID-19 transmission

Sponsored by The Estill County Health Department

Amy McGrath supports making **health care affordable** for every Kentuckian.

Even if you lose your job.
 Even if you have pre-existing conditions.
 Even if you are retired.

Especially during a pandemic.

Our health care is on the line this election.
