Maudie's Naughties

Bus Ride

A drunken man gets on the bus late one night, staggers up the aisle, and sits next to an elderly woman.

She looks the man up and down and says, "If you don't change your ways, I know where you're going."

The man jumps up out of his seat and shouts, "Oh, no. I'm on the bus to Hades and I'm sitting next to Satan's sister."

New Glasses

Ma goes to an eye doctor to have her eyes checked for glasses. The doctor directs her to read various letters with the left eye while covering the right eye.

Ma is so mixed up on which eye is which that the eye doctor in disgust takes a paper sack with a hole to see through, and puts it on her head to cover up the appropriate eye and asks her to read the letters.

As he does so, he notices Ma has tears streaming down her face. "Look," says the doctor, "There's no need to get upset about getting glasses."

"I know," says Ma, "But I kind of had my heart set on wire frames."

Ugly Faces

Finding one of her students making faces at others on the playground, Ms. Smith stops to gently correct the child.

Smiling sweetly, the teacher says, "When I was a child, I was told if I made ugly faces my face would freeze like that."

The student looks up and replies, "Well you can't say you weren't warned."

Bad Habit

Allison loves sucking her thumb. She is now five years old but hasn't stopped the bad habit. With an effort to stop her from this bad practice, Allison's mother tells her that her stomach will swell and will finally burst if she doesn't stop the habit. The little girl stops the habit immediately.

A month later, Mrs. Blecker, who is expecting her first child, pays them a visit. When Allison comes in to greet her she stops first to stare at Mrs. Blecker's tummy, then says without hesitation "We know what you've been doing, and you'd better stop it fast."

Want to Dance?

A guy goes up to this girl in a bar and says, "Would you like to dance?"

The girl says, "I don't like this song, but even if I did, I wouldn't dance with you."

The guy says, "I'm sorry, you must have misunderstood me, I said you look fat in those pants."

Late Night

Pa is leading a city cousin through the woods late one night. The cousin asks, "Is it true that a bear won't attack you if you carry a flashlight?"

"Well," says Pa. "Depends on how fast you carry it."

What's a Breathalyzer

"Shhaaayyy, buddy," asks Joe of a friend sitting on the next barstool. "What's a 'breathalyzer'?"

"Well, I'd have to say it's a bag that tells you when you've drunk way too much," answers the equally-wasted gent.

"Well, whaddya know?" says Joe, "I've been married to one of those for years!"

Seconds

Pa grabs his plate at the reunion and walks up to load it up for the fourth time.

"Aren't you embarrassed to go back for so many helpings?" asks Ma.

"Not a bit," Pa replies, "I keep telling them it's for you."
