

A big "thank you" to Bluegrass Home Economists for your participation in the #CoveringsforKids initiative. Estill County students will benefit from your generosity by staying #HealthyatSchool. To date BHE has donated over 100 hand made masks for students and staff. If you or your organization would like to participate, please call Teresa Dawes at (606)723-2181 for more details. Hardy Oil presented the Estill County High School Athletic Department with a check in the amount of \$3,057.33 from funding generated by the "Engineer Pump" at H&H Fuels located at 125 Richmond Road in Irvine. Purchasing gas from the pump donates a percentage of every gallon sold back to the Estill County High School Engineers athletic program. Thank you Hardy Oil for your continued support of the Engineer Athletics Program. Farrell Newton posted on a group of pictures from a crop raised at Harris Ferry Road this year, "A lot of work, but a rewarding job. Many poor folks relied on this for a living. Sad it is a thing of the past. So many jobs lost to the buy out from the government. Really made Kentucky a very productive living throughout the year."
