

the paper that gets delivered to your home.

America's News includes full-text news articles, editorials, reviews, birth and marriage announcements, obituaries and a variety of special sections. Patrons can use this resource for general reference or to research local and national issues, events, people, government, education, arts, business, sports, real estate and much more. In addition to using workstations at the library, patrons can access the collection from home simply by inputting their Estill County Public Library card number.

The following is a just a partial list of Kentucky newspapers available through Estill County Public Library's link to America's News in NewsBank:

- Lexington Herald-Leader (text and images)
- Morehead News (text only)
- Richmond Register (text only)
- Winchester Sun (text only)
- The London Sentinel Echo (text only)
- Maysville Ledger Independent (text only)

Many of the titles in America's News are offered exclusively by NewsBank, the world's premier provider of newspapers and other news sources online. For more information on this collection, visit www.newsbank.com/libraries, or access America's News at estillpublib.org and click on the America's News icon on the Links page.

In addition to America's News, we have just added Heritage Hub, which has obituaries and death notices from 1824 to the present. You can access Heritage Hub from home by going to the library links page at <https://estillpublib.org/library-catalog%2Flinks> and clicking on the Heritage Hub icon. You will then be prompted to type in your library card number

to access the database. For further information on America's News and Heritage Hub, just give us a call at 723-3030 during operating hours.

My all-time favorite new resource is called FLIPSTER, which gives Estill County Public Library card holders access to over 30 popular full-color, full-text magazines, including:

- Diabetes Self-Management
- Eating Well
- Southern Living
- Family Handyman
- Real Simple
- Farmhouse Style
- This Old House
- Country Sampler
- Farmhouse Style
- People
- Trains
- Time Magazine
- Prevention
- Fons and Porter's Love of Quilting
- Mother Jones
- Discover
- Christianity Today
- Birds and Blooms

We all know how expensive magazines are, either from the newsstand, or by subscription. We are also aware of how quickly back issues of our favorite magazines pile up and create clutter, but we all hate to through them away because they are so expensive. By using your library card to access and read magazines on your computer, tablet, or smart phone, you save money, and you never have to worry about those magazines piling up; when you are done reading them, you simply turn off your device.

To access our magazines through FLIPSTER, go to our library home page at estillpublib.org and click on the Links tab and then the FLIPSTER icon, or download the FLIPSTER app right to your phone or tablet and sit back and enjoy!

If you don't have a library card yet, give us a call at 723-3030 and we'll tell you how to get one. Happy reading!!
