

Estill County Lion elected Ky. District 43Y Governor

Estill County Lions Club is proud to announce that Lion Danny Melton has been elected to the office of District Governor for District 43Y. Danny is the first Estill Lion to hold the position of District Governor.

Since Kentucky has only two Lions Club districts, that means Danny has responsibility for the eastern half of the state, including Lexington. During our club meeting on Monday, June 21, 2021, the club invited Danny's family to join us for cake and ice cream to celebrate his accomplishments. That same night, our club celebrated when

new District Governor Melton inducted new Lion Jesse Likens into our club. Jesse had visited before deciding to join and had offered great ideas and looks to be an outstanding member. Estill Lions want to congratulate Danny and welcome Jesse!

New District 43Y Governor Danny Melton welcomes new Lion Jesse Likens. Jesse is Director of Recruiting and Agent Services with a Globe Life Company.

District 43Y Governor Danny Melton with his family; wife Amanda is a teacher, daughter Emmy practices ballet, while son, and Little Lion, Jaxson is a black belt in karate. (Estill Lions Club photos)

Estill County Lions Club President Tracy Snowden presents new District 43Y Governor Danny Melton with a Certificate of Recognition for his accomplishment.

PROGRAM SPONSORS

ATC Partners in Education Check Presentation

Clark Energy and Jackson Energy are proud to be able to give back to the communities they serve through education and training. Both cooperatives are honored to be a partner of the Estill County School System and a supporter of their Area Technology Center (ATC) by pledging \$15,000 to be used for the funding and equipment needs of the industrial and commercial electrical training lab. Peggy Louraine Hovermale Wilson who passed away Monday, July 12, 2021, was the first patient at Marcum & Wallace Hospital where she delivered her daughter, Margaret L. Wilson, on September 9, 1959, the day before the hospital officially opened. At the time of this picture, July, 2019, she was being interviewed with her daughter that day as the hospital's first patient for their 60th anniversary celebration.

“IT’S A BLESSING TO BE ABLE TO HAVE SUCH A GREAT STORY TO TELL.”

— Susan, Cancer Care Success Story

Prompt care and a close partnership with her hometown doctor paid off for a retired healthcare leader. When Susan began feeling a new breathlessness while exercising, she had a nagging feeling something was wrong. After tests showed lung cancer, her doctor referred her to Baptist Health Richmond for treatment. The early diagnosis qualified her for a clinical trial, and today she is cancer-free. “I didn’t know Baptist Health had that component of clinical research, but was surprised and excited to be part of that. If what I do can help other people, then that’s wonderful,” she said. **Learn more about our network of advanced cancer care services at BaptistHealth.com/CancerCare.**
