Make this Church a Blessing

We opened the little church in ninety-three; God sent us there to pray.

A one-room shack with no one around, The church had been vacant for many a day.

We did not go there to offend anyone, God called my son to open the door. When God calls, we must obey His voice, Be ready at all times, keep yourself pure.

We have seen this little church grow, From an attendance of thirteen to forty-five. We have people here who did not have a church, We know this is a blessing from God on high.

The Spirit of God is so powerful here, Sometimes I believe it reaches outside. I know the Spirit of God is all over the house, And I hope it spills on the passers by.

People come here to serve the Lord, They were anxious to praise God in song. Spending time on their knees in prayer, Reading the precious words of God's son.

Madalene Wasson

Gift of Peace

A very large number of people suffer from insomnia. Not being able to sleep results in a long and lonely night. This loss of sleep makes it hard to cope with various activities -- including driving a vehicle. A big part of insomnia is due to anxiety. People worry about anything and everything. And many of them verbalize their worry to everyone around them. This situation would not exist if their anxieties were turned over to the Lord. By trusting in Him to handle their problems, they could enjoy more of life -- including sleep. The peace that He can give them is so wonderful that it is, according to Scripture, beyond our understanding. Peace is listed as one of the fruits of the Holy Spirit. This peace enables Christians to navigate their way through the problems of life -- even persecution. The Apostle called Paul knew all about this. He encountered an extreme amount of problems while preaching the Gospel. Amazingly he said that he had learned to be content in any bad situation in which he found himself. This an awesome example of the peace available to Christians. To have it on Earth make a big difference in our quality of life. And to have it for all eternity is an incredible part of life in Heaven. Thank you Jesus for peace.
