# Park Ranger from Irvine receives Courage Award

Some of Kentucky’s most generous public employees were honored October 7 with the presentation of the seventh-annual Governor’s Ambassador Awards. First Lady Jane Beshear commemorated Public Service Recognition Week by recognizing the employees for exceptional service in the workplace and in their communities.

The recipient of the Courage Award was Brian Brooks, an Irvine resident and Park Ranger at Natural Bridge State Park.

Brian Brooks, Department of Parks within the Tourism, Arts and Heritage Cabinet, responded to a call for assistance while off duty at Natural Bridge State Park.

One of the park guests was fatally wounded, and

another was critically injured during a flood event. Ranger Brooks assisted in the care of the victims, and notified the other guests at the campground to ensure their safety during the flood.

Late Sunday night a vacant home located on Cedar Grove became fully engulfed in flames. Fire Chief Derrick Muncie stated on Monday that the home owner lives in California. The home had been vacant for some time and there was no electricity hooked up to the home. He added that several other factors have come into play that have raised suspicions about the cause of the fire. Investigators have been called to the scene to determine whether or not the fire was intentionally set.

## Fiscal Court

Continued from Page 1

To block the road would require the road committee looking at it and making their recommendation, placing signs, and holding a public hearing.

Taylor said he wanted to contact the state highway department to see if they had recommendations.

The fiscal court voted to advertise for a tower at the senior center and lighting repairs on communication towers, with costs paid for by CSEPP.

The also advertised for repairs to heating and air for the grand jury and judge’s office to be reimbursed by Administrative Office of Courts.
