**Nice Weather**

The weather was so nice today, I thought I'd take the dogs for a ride. I stopped by the Burger Barn to get them a hot dog and someone asked if the

boys "were the dogs from the paper?" and it dawned on me it was Tuesday! I had to get a story ready for the paper! Fall break had found me busy with all the chores on my 'to do' list and my story had completely slipped my mind! I wasn't prepared and had gone totally blank as to what to write about, but there it was right before me. The two big, red dogs still licking their lips after their hot dog snack.

Do you ever wonder what your animals must be thinking? Corky and I do that all the time. We wonder what lives both dogs led before they came to live with us. Sometimes I can almost 'see' what Hooch is thinking. If I scold him or have to leave him behind when I run errands, I could almost swear I see him cry! When I come home each evening, they both run for my truck, barking and jumping, happy to see me. Do I do that when Corky comes home? No, but I should. If we showed our feelings like my

dogs do, life would be happier and much simpler.

They are protective of me and especially protective of Beth's children. They let me know when someone's on the place that shouldn't be and will run you from my yard if you don't heed their warning barks. They are loyal and show us their devotion every chance they get. They keep our yard clear of squirrels, snakes and other critters that wander onto the place as well as unwelcome visitors in the night.

Wouldn't it be wonderful if ALL our friendships were as great as those we have with our pets? They love us unconditionally and all they ask in return is to be fed and loved. Simple as that! Oh yeah, and sometimes a trip to the Burger Barn for ice cream. As I finish my story, Rankin is sitting at my right and Hooch is at my left and I'm here in the middle, happy they are a part of our lives.

**Engineers Lose Shootout to Breathitt, 48-38**

by **MIKE WISEMAN**  
**Estill Tribune Sportswriter**

Estill traveled to Jackson on Friday night to try and get back on the winning track with a district clash against Breathitt County. Early on it looked as though Estill would have a walk in the park as they would jump out to a 16-0 lead in the first quarter thanks to K.Day's 24 yard TD run and a 37 yard sprint to pay dirt for B.Franisco. A tipped pass for a 9 yard TD would get Breathitt on the board but a 61 yard run by Day would lead to a D.Bingham 6 yard TD plunge and give Estill a 24-8 lead. Breathitt would not lay down and connected on a 27 yard slant over the

middle for six and after a successful 2 pt. conversion, they would cut the lead to 24-16 at the half. The third quarter would start with some excitement as Breathitt would convert two fake punts; one for 12 yards on a 4th and 10 and the next would go 60 yards to the endzone to bring the score even. After Estill was stopped on a 4th and 3 following a long drive, Breathitt would connect on a 55 yard bomb and take their first lead of the game at 32-24. D.Spivey would keep the score even when he went in from 3 yards out, but Breathitt would take the lead back after a fade route to the 6 yard line and TD run. K.Day would not let his team

die and ripped off a 30 yard run followed by fellow senior D.Spivey's 2 yard TD run. The 2 point conversion would fail and Estill would trail by 2, 40-38. A Breathitt County 56 yard TD run would put them up by 10 and after a fumble inside the 10 yard line, Estill would see their district record fall to 1-2 and their season record fall to 3-4.

Estill will be off this Friday night and will host Morgan County on Oct. 16th on Homecoming Night. Actions begins at 7:30.

All alumni are encouraged to attend and cheer this boys on. Come out and show your "Estill Pride" Go Big Blue!!!!
