Maudie's Naughties

Watch My Car

A man jumps out of his car in downtown Washington, D.C. He sees a well-dressed man standing near the curb and asks, "Listen, I'm only going to be in here a few minutes. Could you watch my car while I run into this store?"

"What?" the man huffs, "Don't you realize that I am one of the most powerful politicians in government?"

"Well, no, I didn't realize that." replies the man. "But listen, I'm in a hurry; so, I going to have to trust you anyway."

Give Me Your Money!

Late one night, a mugger wearing a ski mask jumps into the path of a well-dressed man and sticks a gun in his ribs. "Give me your money," he demands.

Indignant, the affluent man replies, "Hey, watch it - I'm a United States Congressman!"

"In that case," replies the mugger, "Give me MY money."

How Many In The Legislature

One day, a boy and his father are at the dining room table working on the boy's social studies homework, the chapter about government. The boy turns to his father and asks, "Dad, how many people work in the U.S. Legislature?"

The father replies without hesitating, "Oh, about 10%."

Promises, Promises

A little girl asks her father, "Daddy? Do all Fairy Tales begin with 'Once Upon A Time?'"

He replies, "No, mostly it's 'If Elected I Promise . . .'"

Presidential Credentials

A redneck calls up the White House and says, "I'd like to become the next President of the United States."

The receptionist answers, "What are you, an idiot?"

The redneck replies, "Why, is it required?"

Helping The Homeless

A businessman and a politician are walking down the street when they come upon a homeless person. The businessman gives them his business card and tells them to come down to his factory to apply for a job. He then takes twenty dollars out of his pocket and hands it to the homeless person.

The politician is very impressed; so, when they come upon another homeless person, he decides he is going to help. He walks over to the homeless person and gives them directions to the welfare office. He then takes fifty dollars out of the businessman's pocket and hands it to the homeless person.

I Hear You

Aunt Esmerelda finally goes to the doctor to have her hearing problem checked out. She is sitting in the waiting room opposite a young boy who is chewing gum and staring vacantly into space. After some time, Esmerelda jumps up, goes over to the boy and says, "I know what you're saying about me, and I'm going to tell your mother every word of it!"

Fear of Poisoning

One day, Bubba calls up Pastor Jim and says, "Preacher, something terrible is happening that I need to talk to you."

Pastor Jim says, "What's wrong?"

Bubbareplies, "I think Emmerline is trying to poison me."

Pastor Jim is surprised by this but says, "What makes you think that?"

"Well," replies Bubba, "She's been cooking up these big, fancy meals for me every night."

"What's wrong with that? asks the pastor.

"We've been married 15 years," replies Bubba. "I didn't even know she could cook."

New CEO

A steel company, feeling it is time for a shake up, hires a new CEO. The new boss is determined to rid the company of all slackers.

On a tour of the facilities, the CEO notices a guy leaning against a wall. The room is full of workers and he wants to let them know that he means business. He asks the guy, "How much money do you make a week?"

A little surprised, the young man looks at him and says, "I make \$400 a week. Why?"

The CEO says, "Wait right here." He walks back to his office, comes back in two minutes, and hands the guy \$1,600 in cash and says, "Here's four weeks' pay. Now GET OUT and don't come back."

Feeling pretty good about himself the CEO looks around the room and asks, "Does anyone want to tell me what that goof-ball did here?"

From across the room a voice says, "Pizza delivery guy from Domino's."
