> If you are looking for a cold remedy, consider horseradish. It provides vitamin C, promotes sweating, loosens chest and sinus congestion, stimulates the nerves, and soothes sore throats; it is also a diuretic, and useful for urinary infections: Combine 1 or 2 tablespoons of fresh grated root with a little lemon *juice or cider vinegar*. Horseradish stimulates blood flow, increasing warmth and circulation to cold muscles and joints when used externally as a rub: Combine *1 or 2 tablespoons of fresh grated root* with cider vinegar and honey. - Brenda Weaver

# **Stickeler's Puzzle**

Here's a "trickledown" puzzle. The rules are simple; you merely change one letter on each line to make a new word and continue until you reach the final word.

		TOOTED
Example: COAT	Ans: COAT	
- 	COST	
	CAST	
	CASE	
VASE	VASE	
		SAILOR

it appears that an average of tive locations and cause an twice before being added to 10 or more per square inch adverse reaction this time of the herd.

Educational programs of

# Farmers Market Seminar

The Estill County Extension Service will host a farmer's market seminar on Thursday, January 14th, 6:30 p.m., at the Extension office. Sharon Spencer of the Kentucky Department of Agriculture will be our speaker and discuss selling at farmer's markets and ways to help the local market grow. To pre-register, please call 723-4557.

### Thursday, January 21st @ 6pm

## **Beef Cattle Producer Meeting**

There will be a beef cattle producer meeting on Thursday, January 21st, 6:00 p.m. at the Estill County Extension office. The meeting is cosponsored by Tri-County Fertilizer & Propane, CPC Commodities, Estill County Cattlemen's Association (ECCA), and Cooperative Extension. The meeting topic is winter feeding supplements. A meal will be served. ECCA will have their January business meeting afterward. Please preregister by calling 723-4557 no later than January 19th.

### Order By Friday, January 22nd

## Farmers Market Seminar

The Estill Extension Service will be taking orders for apple and pear rootstocks this month. If you want to propagate a favorite apple or pear, grafting is one of the easiest ways to preserve that cultivar. To graft, you will need scion wood (terminal branch segments from last year's growth collected at the end of February) and a rootstock. If you do not know how to graft, come by the office for information or assistance.

We typically order Malling7 (55% of standard size) and/or MM.111 (80% of standard) semi-dwarf apple rootstock and a pear rootstock. Please place your order on or before January 22nd by calling 606-723-4557. The rootstocks usually arrive by the first of March. Orders must be prepaid by February 19th.

In addition, we will take orders for strawberry, blackberry, blueberry, raspberry, asparagus, and Candy onion plants. Plant delivery will be in early April. If you are

HERE IS A PLEASANT LITTLE GAME that will give you a message every day. It's a numerical puzzle designed to spell out your fortune. Count the letters in your first name. If the number of letters is 6 or more, subtract 4. If the number is less than 6, add 3. The result is your key number. Start at the upper left-hand corner and check one of your key numbers, left to right. Then read the message the letters under the checked figures give you.
