Wanderings from the Woods & Water

Pointing the Way Home

Thanks to all those prayer warriors praying for our little Joel. We got better news from his blood test this past week, the levels were on the rise. He has another blood test coming up in a week to see if the levels stay up. All the prayers have been very appreciated, we serve a prayer-answering Lord!!

I have had an appreciation for bird dogs since I was very young. I saved my money and bought my first dog when I was in 4th grade. He was a big hard charging pointer named Jake. My first-born son answers to the name Jake, so you can see that big pointer had a profound effect on my life.

Let's say, you have 100 acres to hunt and on that 100 acres there is only one covey of quail. I can guarantee if you go hunting without a bird dog, chances are you will never find that one covey. You might look high and low. Walk and walk but at the end of the day without a good bird dog your efforts are futile. Now that one covey of quail is on that 100 acres always has and always will be. The way to find the covey is to have a good bird dog lead you down the path and point where the quail are at. It's the only way to find the covey. Why would you want to wonder aimlessly when it's as easy as just taking a good bird dog? When that dog is on point and you flush those quail well it always has made my heart skip a beat!

In **John 14:6** it says- "*Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me.*"
In order to find the Father,

you must have the Son lead the way. Many people seek the Father by works, by just being a good person and a 1000 different other ways. All of which is futile. If you don't have the Son Jesus in your heart YOU will never find the Father! He has always been there and always will be there. You just need to accept the Son and your heart will be changed.

As a born again believer we must spread the Good News to lead the lost to the Son Jesus Are you pointing the way to the Son Jesus? Is your life pointing to Jesus?

If you read this and don't have a relationship with the Son my prayer is you will seek Jesus! Know Jesus Know Peace! No Jesus No Peace!

If you know Jesus as your personal Savior I challenge you this week to talk to three people about Jesus. I challenge to challenge other believers to tell three people about Jesus this week. If we do this weekly just look at the people that can be reached.

Until next week, get out and enjoy God's creation!

Birding BITS

Winterizing
It's not too late to winterize for the birds. Do you have enough high-fat foods like peanuts, black oil sunflower seed, suet cakes or nuggets? Do you need to attach a roosting box to a fence post? Are your heated birdbaths plugged in? Does your de-icer work? The birds will thank you.
