

Annual "Gather Around the Table of Thanks" Family Night at ECMS

The Estill County Middle School Youth Services Center recently sponsored the Annual "Gather Around the Table of Thanks" Family Night. On this night families enjoyed a full turkey and dressing meal. The evening's activities included each family creating a decorative wreath for their front door. The families pictured at right are a few of the families in attendance displaying their holiday creations.

Foster Parents of the Month

Robert and Robin Hayes have been fostering since 2010 and feel fostering is a way to help families. They have opened their home to several children and make the children feel welcome and loved. The children are considered family and participate in family activities and events. The family enjoys attending the children's school events and activities. The Hayes's enjoy working with families and various individuals to meet the needs of the children. Robert and Robin Hayes are an asset to the community and to all the children they foster. If you would like information about becoming a foster/adoptive parent, contact the Cabinet for Health and Family Services at (606)723-5146 or (606)663-2881.

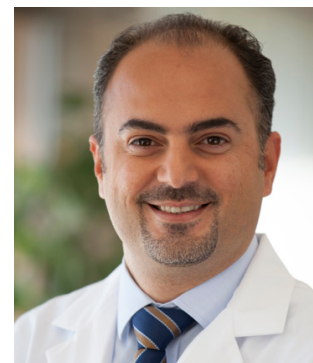

Best wishes to you and your family for a safe and healthy holiday.
