On December 15th a reception was held for several people who recently retired from the Estill County school system. Two retirees were in attendance that night and were recognized during the board meeting for their dedication. Rosemary Nutter began her career in 1989 and Jeanette Stepp began her career in 1992.

Other retirees who were not able to attend the reception were Barbara Brandenburg, Loretta Cruse, Wayne Parvin, and Jeff Harrison.

The board recognized the Mountain Movers for the month of November. Brenda Honchell was recognized as the classified employee of the month. Honchell has worked at the high school for ten years. She said that she has enjoyed the opportunity to work with lots of great kids during her time at the school. Randy Sutter was recognized as the certified Mountain Mover of the month. Sutter has taught Math at the high school for 23 years and stated that he really enjoys working with the high schoolers.

Caleb Stickney, a senior at the Estill County High

School, was recognized by the board for his outstanding academic accomplishments. Stickney is currently attending the Gatton Academy and Superintendent Jeff Saylor praised Stickney for his perfect score on the ACT. Stickney has recently been accepted into Princeton University.

Two ROTC cadets were also recognized for their accomplishments at the recent competition in Georgia. Megan Jones and Matt Young were also commended on the wonderful job they did during the Veteran's program at the high school at the beginning of the month.

Superintendent Saylor became emotional as he presented board members Patty Hood and Robbie Starling with a plaque for their service to the school district. Saylor said that they gave him a chance when his own county wouldn't and he was very appreciative.

Hood has served on the board since 1998 and she said that it had been a pleasure working with Mr. Saylor and that he had proved to them during the interviewing process that his heart was in it. "It's been a great ride," said Hood.

Jeanette Stepp began her career with the school system in 1992.

Patty Hood has served on the school board for 18 consecutive years.

Chairman Robbie Starling was recognized for his service and dedication to students of Estill County.

Rosemary Nutter has been employed by the Estill County school system since 1989.

Estill superintendent Jeff Saylor is the presenter in each of the above photos.
