Some Things Men Are Not Doing

by **BOB CASEY**, preacher
Cornerstone Church of Christ
Bond Street at Camp Avenue in West Irvine

In **Jeremiah 8:20** is found an example when the Lord's patience with unhearing Israel was about to be clearly shown. This was to be brought about by another nation evading them and carrying them away. Read what he says: "*The harvest is past, the summer is ended, and we are not saved.*"

Then Amos the prophet said of disobedient Israel **chapter 8, verse 2**: "*And he said, Amos, what seest thou? And I said a basket of summer fruit, then said the Lord unto me, the end is come upon my people of Israel, I will not again pass by them anymore.*"

Then in the New Testament book of **II Peter 3:3-4**, here it is written: "*Knowing the first, that there shall come in the last day scoffers, walking after their own lust, and saying, where is the promise of the coming, for sure the fathers fall asleep all things continue as they were from the beginning of creation.*"

Well historically, we know that the patience of almighty God came to past as He allowed the Syrians to come upon them and pillage them and to carry most unto captive slavery.

In **Psalms 137:1-4** this was written when they had failed to listen to God and were now being carried away. "*By the rivers of Babylon, there we sat down, yea, we wept, when we remembered Zion, we harped our harps upon the willows in the midst thereof for they that carried us away captive required of us a song, and they that wasted us required of us mirth, saying, sing us one of the songs of Zion. How shall we sing the Lord's song in a strange land?*"

So then, Israel had exhausted all the opportunities to listen, obey, and turn back to God. Sadly friends, I believe I can see history repeating itself again right here in our own country. Folks are turning a deaf ear to righteousness. Our churches that are making an attempt to preach the truth are lacking in attendance. More attendance at Wal-marts than at local assemblies.

How long will the Lord tolerate such disrespect toward Him? I don't know, but we can see that He sent some things their way to wake them up to reality. But it was too late to respond, harping their harps upon the willow trees reveals the lost joy and opportunity to change, because they had stepped over the line of God's patience. there may be many of you that read this and know that you are now walking upon dangerous ground with God by failing to respond and obey His voice. Do you realize that you may be one that is now prepared for a rude awakening? You see, the Lord loves you and He wants you to be saved, so even now He may be sending some form of chastisement your way in order to get your attention. I hope it will be effective in that it will cause you to see your need of obedience.

Attend with us the Lord's Day at Cornerstone. We talk about such things in church.

Call local 859-369-4165. Bible study is at 9:45 a.m. before Sunday morning worship at 10:45 a.m.

THE ILLUSTRATED BIBLE

The water prevailed fifteen cubits higher, and the mountains were covered. All flesh that moved on the earth perished, birds and cattle and beasts and every swarming thing that swarms upon the earth, and all mankind; of all that was on the dry land, all in whose nostrils was the breath of the spirit of life, died.

GENESIS 7: 20-22

The Word of Life

1 John 1:1-2
(See also Luke 24:36-43; John 20:19-23)
"That which was from the beginning, which we have heard, which we have seen with our eyes, which we have looked upon, and our hands have handled, of the Word of life; (For the life was manifested, and we have seen it, and bear witness, and shew unto you that eternal life, which was with the Father, and was manifested unto us;)"

seeds of Hope

Each of us, at one time or another, had a dream about who we wanted to become and what we planned to do with the life that God gave us. We wanted to bring the future into the present with carefully detailed plans and goals. We chose classes and programs of study to help us prepare for occupations that fit into our dreams. We looked forward to accomplishments that would bring us joy and happiness, satisfaction and success. For some life unfolded as planned. For others there were starts and stalls and stops. We worked hard at life.

To make the most of life, however, we must not eliminate God from our plans. He knows what is best for us because He gave us life. Writing from a cave one day David finally said, "I cry out to God Most High Who has a plan for me." It's never too late to seek His plan. Visit us at: SowerMinistries.org
