Public Notice

NOTICE TO CUSTOMERS OF KENTUCKY UTILITIES COMPANY
 KENTUCKY UTILITIES COMPANY HAS PROPOSED
 A NEW OPTIONAL AND VOLUNTARY SOLAR SHARE PROGRAM RIDER

PLEASE TAKE NOTICE that Kentucky Utilities Company ("KU") and Louisville Gas and Electric Company ("LG&E") filed a joint application with the Kentucky Public Service Commission ("Commission") on August 2, 2016, in Case No. 2016-00274 requesting approval to offer a new optional and voluntary Solar Share Program Standard Rate Rider ("Rider SSP"). KU and LG&E requested that Rider SSP become effective September 1, 2016, but the Commission has suspended the effective date for five months (i.e., until and including January 31, 2017) to investigate the reasonableness of the program.

This new optional and voluntary service is available to KU customers taking service under Residential Service, Residential Time-of-Day Energy Service, Residential Time-of-Day Demand Service, Volunteer Fire Department Service, General Service, All Electric Schools Service, Power Service, Time-of-Day Secondary Service, and Time-of-Day Primary Service.

The proposed rates for the new optional and voluntary Rider SSP for KU customers are:

Upfront Fee
 Subscription Fee \$40.00 per quarter-kW subscribed

Monthly Charge
 Solar Capacity Charge \$6.29 per quarter-kW subscribed

Monthly Credits and Adjustments

Solar Energy Credit (per kWh of pro rata energy produced by the Solar Share Facilities; number of kWh eligible for credit limited to customer's net kWh consumption on each bill)

Rate Schedule	Credit per kWh
RS	\$0.03477
RTOD-Energy	\$0.03477
RTOD-Demand	\$0.03477
VFD	\$0.03477
GS	\$0.03504
AES	\$0.03497
PS Secondary	\$0.03572
PS Primary	\$0.03446
TODS	\$0.03527
TODP	\$0.03432

Solar FAC [Fuel Adjustment Clause] Adjustment

Subscriber's billing under Adjustment Clause FAC will be adjusted corresponding to number of kWh to which Solar Energy Credit applies

Each subscribing customer ("Subscriber") may subscribe capacity up to an aggregate amount of 500 kW DC, though no Subscriber may subscribe more than 250 kW DC in any single Solar Share Facility. Payment of the Subscription Fee for the amount of capacity a customer seeks to subscribe will be due at the time of subscription. Because each Subscriber's bill impact under Rider SSP will vary based on the amount of solar capacity subscribed, the kWh of solar energy attributable to the Subscriber's subscribed capacity, the standard rate schedule under which the Subscriber takes service, and the Solar FAC Adjustment, it is not possible for KU to state what the average or aggregate bill impact will be for the proposed Rider SSP. But after paying the upfront Subscription Fee for the desired amount of capacity, each Subscriber's maximum monthly bill impact will be the number of quarter-kW portions subscribed multiplied by the monthly Solar Capacity Charge of \$6.29 per quarter-kW subscribed.

The rates contained in this notice are the rates proposed by KU, but the Commission may order rates to be charged that differ from the proposed rates contained in this notice.

Comments regarding this application may be submitted by mail to the Public Service Commission, Post Office Box 615, Frankfort KY 40602, or through its website at <http://psc.ky.gov>.

Any corporation, association, body politic, or person may, by motion filed by August 19, 2016, request leave to intervene in Case No. 2016-00274. That motion shall be submitted to the Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602, and shall set forth the grounds for the request including the status and interest of the party. Intervention may be granted beyond August 19, 2016, for good cause shown. Any person who has been granted intervention may obtain copies of the Application and testimony by contacting Kentucky Utilities Company at 220 West Main Street, Louisville, Kentucky, 40202, Attention: State Regulation and Rates. If the Commission does not receive a written request for intervention within thirty (30) days of the publication of this notice, the Commission may take final action on the tariff filing.

A copy of the Application and testimony is available for public inspection on KU's website (<http://www.lge-ku.com>), on the Commission's website (<http://www.psc.ky.gov>), and in paper medium Monday through Friday, 8:00 a.m. to 4:30 pm at the office of Kentucky Utilities Company, One Quality Street, Lexington, Kentucky 40507, or the Commission's offices located at 211 Sower Boulevard, Frankfort, Kentucky.
