

# Four from Estill named Sen. Jeff Green Scholars

Kordel Lee Day, Rachel Leigh Hughes, Timbre Rein McCoy and William Zachary Puckett, 2016 graduates of Estill County High School, have been named Senator Jeff Green Scholars by the Kentucky Higher Education Assistance Authority (KHEAA).

To earn this honor, a student must have a 4.0 grade point average each year of high school and at least a 28 composite on the ACT.

These students have also earned \$2,500 a year in Kentucky Educational Excellence Scholarship (KEES) awards. If they keep their grades up in college, they

will have \$10,000 to use toward a four-year degree.

The designation honors the late state Sen. Jeff Green of Mayfield, who served in the Kentucky General Assembly from 1992 to 1997.

KEES and other Kentucky student aid programs are administered by KHEAA. KEES awards are funded by net Kentucky lottery proceeds and may be used at most colleges and universities in Kentucky.

In some cases, the award may be used at an out-of-state school if the major the student is pursuing is not available in Kentucky. No application is necessary for

## Engineers Drop Opener at Fleming

The first act in the 2016 edition of the Estill County High School Football season did not play out as well as expected as the Engineers dropped their season opener to Fleming County by the score of 49-7.

Estill would get a quick shot of excitement when senior Blake Francisco would return the opening kickoff deep into Fleming County territory. The offense could not gain any traction and the 'Neers would turn it over on downs.

Junior Dylan Evans would pick off a pass right

out of the Fleming County QB's hand and return it all the way for Estill's first TD of the season and a quick burst of energy for the team.

That mistake by the QB would be the only one he makes on the night as the Fleming County team would push the ball across the goal line 4 times in the first quarter and take a 41-7 lead into halftime.

Estill's defensive pride would slow down Fleming in the second half, but offensively the team looks young and have not began

to gel.

Speaking of youth, Coach Mike Jones and staff will try to teach these youngsters how to get better each and every game.

Estill puts 23 freshman and sophomores on the field out of the 39 on the team. Good experience for the next few years, but Jones and staff will have this group ready soon.

Next week's action will see Estill hosting Magoffin County in the first district clash of the year. Action will begin Friday night at 7:30 p.m. at Hoover Niece Field.

Big Blue Nation show your support for these hard working young men.

### Lady Engineers Soccer

The Estill County Lady Engineers soccer team is off to a great start with three wins to begin the season.

Coach Candie McMaine and Andrew Hatton's team has won over Bath County, 4-3; Breathitt County, 9-1; and West Carter, 4-3.

Scoring for the Lady Engineers has been Amelia Farmer, 7 (five goals against Breathitt), Autumn Tipton, 4; Megan Scott, 3; Kennedy Horn, 2; and Kalea Hatton, 1.

They played Wayne

County at home on Tuesday and will be idle for the next week.

### Lady Engineers Volleyball

Shayla Carroll's Estill County Lady Engineers volleyball team got their first win of the season on Thursday, August 18th against Danville. The Estill ladies lost the first set then won three straight to win the match 3-1.

They lost earlier in the season to Berea and Breathitt County.

The Lady Engineers were in action on Tuesday against perennial district favorite Powell County and play the Lee County Lady Bobcats on Thursday at home.

### Engineers Boys Soccer

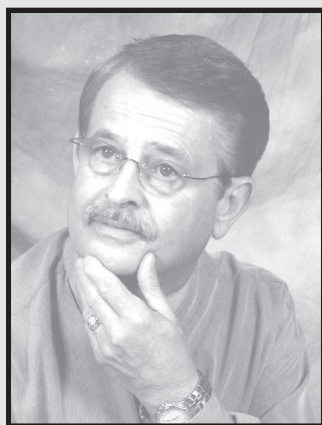

Greg Witt's extremely young soccer team is 0-2 for the season and take on Berea on Thursday night at home.
