Maudie's Naughties

Narrow Road

A man is driving up a steep, narrow mountain road. A woman is driving down the same road. As they pass each other, the woman leans out of the window and yells "Pig!!"

The man leans out of his window and replies, "Cow!!"

They each continue on their way, and as the man rounds the next curve, he crashes into a pig in the middle of the road.

If only men would listen . . .

9-1-1

"9-1-1 Operator."

"Yes," replies the voice of an elderly, single woman, "Please send the fire department, quickly!"

"Is your house on fire?"

"No, my house is not on fire. There are two men on a step-ladder trying to climb up to my upstairs bedroom window."

"Then you want me to dispatch the police, right?"

"No, I want the fire department to bring a longer ladder."

Eye Test

An Eastern Europe immigrant applies for a driver's license. He has to take an eyesight test. The optician shows him a card with the letters "C Z W I X N O S T A C Z."

"Can you read this?" the optician asks.

"Read it!?" the man replies, "That's my first cousin!"

Well Organized

Two women meet for the first time since graduating from high school. One asks the other, "You were always so organized in school. Did you manage to live a well planned life?"

"Yes," her friend replies. "My first marriage was to a millionaire; my second marriage was to an actor; my third marriage was to a preacher; and now I'm married to an undertaker."

"Four marriages!?" says the friend. "That doesn't sound very well organized."

"Sure it does!" the woman replies. "One for the money, two for the show, three to get ready, and four to go."

How Long?

A distraught patient phones her doctor's office.

"Is it true," the woman wants to know, "that the medication you prescribed has to be taken for the rest of my life?"

"Yes, I'm afraid so," the doctor tells her.

There is a moment of silence before the woman continues, "I'm wondering, then, just how serious my condition is. This prescription is for only 30 pills and is marked 'NO REFILLS.'"

Step Aside

Lifelong enemies Clem and Jake are in a country market when they meet face to face in an aisle that is too narrow for them to pass. Jake pulls himself up to his full height and boasts, "I never make way for a fool!"

"Nor do I," says Clem. "But I'll make an exception for you."

Three Wishes

Bubba is walking through the woods one day when he trips over a half buried kerosene lantern. He cleans it off to take it home when suddenly a redneck trucker appears. (What did you expect, a genie?)

The redneck trucker thanks him for releasing him from being a prisoner in the lantern and offers him three wishes. Bubba thinks on it awhile and decides he wants some potion that will keep him healthy the rest of his life, a large diamond for his wife, and a dinner date with a famous movie star.

"These will all shortly be granted," says the redneck trucker.

The doorbell wakes Bubba up the next morning with its constant ringing. He opens the door to find a delivery man with 500 gallons of chicken soup, a crew to build his wife a baseball stadium, and Mr. T who is taking Bubba on a dinner date.

Get on the Ball

Once there was a golfer whose drive landed on an anthill. Rather than move the ball . . . he decided to hit it where it lay. He gives a mighty swing. Clouds of dirt and sand and ants explode from the spot. Everything but the golf ball. It sat in the same spot. So he lines up and tries another shot. Clouds of dirt and sand and ants go flying again. The golf ball doesn't even wiggle.

Two ants survive. One dazed ant says to the other, "Whoa! What are we going to do?"

"I don't know about you," says the other ant, "But I'm going to get on the ball."
