NOTICE

Notice is hereby given that on January 10, 2018, Kentucky Utilities Company ("KU") will file an application with the Kentucky Public Service Commission ("Commission"), Frankfort, Kentucky, pursuant to KRS 278.020(1), 807 KAR 5:001 Sections 14 and 15, and 807 KAR 5:011 Section 6(2)(b) seeking an Order granting KU Certificates of Public Convenience and Necessity ("CPCN") for the full deployment of Advanced Metering Systems ("AMS") across its Kentucky service territory and approving its proposed AMS Opt-Out Special Charges. In its application, KU will notify the Commission that the changes to the Special Charges Standard Rate tariff sheets are proposed to become effective on and after February 9, 2018; however, because KU anticipates the Commission will suspend the proposed changes in the Special Charges tariffs to conduct an investigation of the proposed changes, KU will ask the Commission to approve the proposed changes to be effective on June 1, 2018.

KU will propose a cost-based opt-out charge structure for customers who desire to opt out of AMS. The proposed charges will be new and optional; customers who do not desire to opt out of AMS will not have to pay the charges. The proposed opt-out charge structure will consist of a \$72.71 opt-out set-up fee and a \$32.45 recurring monthly fee.

Complete copies of the proposed tariffs containing text changes and proposed rates may be obtained by contacting Kentucky Utilities Company at 220 West Main Street, Louisville, Kentucky, 1-800-981-0600, or visiting Kentucky Utilities Company's website at www.lge-ku.com.

Notice is further given that a person may examine this application at the offices of Kentucky Utilities Company, 100 Quality Street, Lexington, Kentucky, and may also be examined at Kentucky Utilities Company's website at www.lge-ku.com. A person may also examine this application at the Public Service Commission's offices located at 211 Sower Boulevard, Frankfort, Kentucky, Monday through Friday, 8:00 a.m. to 4:30 p.m., or through the Commission's website at http://psc.ky.gov.

Comments regarding the application may be submitted to the Public Service Commission, by mail to Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602, or by sending an email to the Commission's Public Information Officer at psc.info@ky.gov.

The rates contained in this notice are the rates to be proposed by Kentucky Utilities Company, but the Public Service Commission may order rates to be charged that differ from the proposed rates contained in this notice. A person may submit a timely written request for intervention to the Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602, establishing the grounds for the request including the status and interest of the party. If the Commission does not receive a written request for intervention within thirty (30) days of initial publication or mailing of the notice, the Commission may take final action on the application.
