Ladies Night for Heart Health Awareness

Marcum & Wallace Hospital will sponsor a Ladies Night Out for Heart Health Awareness on Thursday, March 15 at 5:30 p.m. at Rice Station Christian Church (located at 1675 Rice Station Road in Irvine).

This free event will feature a presentation by Dr. Paula Hollingsworth, a cardiologist with Baptist Health Lexington. All ladies who attend will receive a free dinner, health education and giveaways.

Dr. Hollingsworth will discuss the signs, symptoms and prevention of heart attacks in women. According to the American Heart Association, heart disease is the number one killer of women; that's approximately one woman every minute. 90 percent of women have one or more risk factors for developing heart disease. "It's important for women to be educated about heart disease," said Dr. Paula Hollingsworth. "The symptoms of a heart attack and heart disease can be different in women versus men, and are often misunderstood."

Please sign up for the free event by Monday, March 12 by calling 606-726-2119.
