

Library Happenings

Estill Public Library

by Shannon Horn

Hello everyone! It feels like it has been forever since I wrote an article, but I only missed one week while I was on vacation. There isn't a lot going on this week, but I will share some things that will be going on in the upcoming weeks.

Baby Art

Monday, October 28th at 10:30 we will be having a fun program for babies and toddlers. We will have several different activities for them to do. I do expect for them to get messy, so please dress them in old clothes. We will be painting, gluing, drawing and all kinds of fun, messy stuff. This program is free to the public and you don't have to sign up. Just stop in with your baby and we will have a blast!

Adult Book Club

The Adult Book Club will be meeting again on November 5th. They've been reading a book called Arrowwood. There is still time to get this book if you want to have the opportunity to read it. Their next book is in. I'm not sure if it is ready to check out, call the library at 723-3030 to ask. This book is entitled The Curious Charms of Arthur Pepper. This book sounds so cute. It is about an elderly man who is living his life just had before his wife died. That is until he finds a myster-

ious charm bracelet of hers that he has never seen. It takes him on a wild journey to discover who his wife was before they married. What an interesting sounding book. If you'd like to pick up a copy of it they will be available on November 5th. Stop in for book club at 1:30. They'd love to have you.

Teen Book Club

Teen Book Club is back with a new book. They are going to be reading Zlata's Diary by Zlata Filipović. Her diary follows her journey through life in Sarajevo during the Bosnian War. This little girl was called the modern day Anne Frank when her story first released in 1993. They won't meet again until November, but if you would like your child to read this amazing story, then stop by the library and ask for the Teen Book Club book.

Teen Film Club

Our Teen Film Club has been hard at work making their first ever short film. It has been an awesome experience, but it has also been rather funny. I'm sure our blooper reel will be almost as long as the actual movie. It is rather difficult not to laugh during filming. We've certainly discovered that. But they are doing a wonderful job and we hope to have it released by the end of next week. That is wild to think about! We have a lot of work to do. Just keep an eye out for the release of the film on our Facebook page.

That is all for this week, but I'm sure there will be a lot more for me to talk about next week. So make sure you check back in!

Estill County Memorial Service

A Memorial Service honoring and remembering those from Estill County who died during the past year will be held at the Irvine First Christian Church on Main Street in Irvine on Monday, November 4th at 7 p.m.

This service is sponsored by Mercy Health - Marcum and Wallace Hospital, in conjunction with the Estill County Ministerial Association and Interfaith Wellness Ministry.

This Memorial Service will include scripture readings, reflections by Ministers from our local churches, and the reading of the name of each loved one who has died.

The memorial will be held in the context of an inter-faith, Christian worship service.

Family members of the deceased, as well as the public, are invited. You do not need to call and sign up to attend.

Please join us as we remember those who have so recently been a part of our lives and whose death we recall in the light of the Resurrection.
