

O. D. Henderson Masonic Lodge representatives, Terry Kirby and Greg Horn, were again present at West Irvine Intermediate school on Friday March 29, 2019, to give away two more bicycles. Two more will be given away on the last day of the school year. The lucky winners were Peyton Estes and Thomas Bolin.

Estill County Extension Service coordinated a Youth Safety Day for 4th graders at West Irvine Intermediate School March 18th. Students received instruction on electric safety from Jackson Energy (Thomas Nichols and Brent Arvin), railroad safety (Russell Parks of Operation Lifesaver), substance abuse prevention (Shaye Walker with Bluegrass Prevention), and internet safety (Trooper Robert Purdy of Kentucky State Police Post 7). In addition, Estill County EMS Director Jimmie Wise coordinated an ATV mock rescue which involved local EMS, fire department, rescue squad, and Air Methods helicopter. We appreciate all those who helped provide valuable safety information for our youth. Thanks to West Irvine Intermediate Family Resource Center and West Irvine Intermediate staff for cooperating to host this event.
