The Estill County 4-H

Shooting Sports would like to thank Walmart, Ale8, Meijer, Cincinnati Reds, Rural King, Texas Roadhouse and Carhart for their donations. Without the help of local businesses and volunteers, events such as this wouldn't be possible.

The 4-H Shooting Sports program believes that:

Youth development is the number one goal of the Shooting Sports Education Program

It provides an effective tool for human growth and development for youth and adults

It is an introduction to the safe and responsible use of firearms and archery equipment which is a valuable life skill.

It trains youth to handle and shoot firearms safely. It teaches leadership and responsibility in a non-formal environment while offering fun activities for youth and adults. While competition is not the main focus, the program does offer opportunities to participate in shooting events, competing in various disciplines and age groups.

All clubs and events are coordinated and supervised by nationally and state trained volunteers.

If your 4-H age child (9-18) would be interested in becoming a part of the Estill County 4-H Shooting Sports Club, keep an eye on their Thursday folders and the 4-H newsletter. Sign-ups for next season will begin in the fall. If you have any questions, please contact the Estill County Cooperative Extension Office at 606-723-4557.

The Estill County 4-H Boys Trap Team (12-14 year old division) placed first in the team competition. Team members from left to right are Matthew Gray, Brandon Goosey, Aidan Baber, Tyler Wilburn and Xander Turner.
