Maudie's Naughties

Not Hungry

The flight attendant on a cross country flight just out of Atlanta announces, "We have 103 passengers on board, however, through an oversight, only 40 dinners were packed. Anyone who wishes to give up the meal will receive free drinks for the length of the flight."

A while later, the flight attendant comes on the intercom again and announces, "If anyone wants to change his mind, we still have 29 dinners available!"

I Didn't Do It!

A canine officer parks his vehicle in front of the mall; then notices a little boy listening to the barking of his K-9 partner from the back of the police vehicle.

"Is that a dog you got back there?" he asks.

"It sure is," the officer replies.

Puzzled, the boy looks at the officer and then towards the back of the van. Finally he says, "What'd he do?"

Power of Prayer

Members of the Little Needmore Church learn that a well-known bootlegger has purchased an empty building next to their house of worship and plans to move his entire operation there. They gather in a special meeting and decide they are going to pray night and day about the situation until they receive an answer from above. Two days later, a severe thunderstorm moves up Needmore Hollow and lightning strikes the building, causing it to burn to the ground. Church members are ecstatic about having the power of prayer until they learn that the wealthy bootlegger is suing the church for the loss of his building.

Both sides file briefs regarding whether or not the church members' praying caused the building to burn. The case comes before Judge Jim who tells the two parties, "I don't know how I'm going to decide this, but it appears from the paperwork that we have a bootlegger who believes in the power of prayer, and an entire church congregation that no longer does."

Domestic Bliss

Walking into the bar, Mike says to Charlie the bartender, "Pour me a stiff one - just had another fight with the little woman."

"Oh yeah?" says Charlie, "And how did this one end?"

"When it was over," Mike replies, "She came to me on her hands and knees."

"Really. Now that's a switch! What did she say?"

She says, "Come out from under the bed, you little chicken."

Short Runaway

An airplane is coming to land at an airport obscured by fog. Visibility is practically nil, the radar system is on the blink, so the pilot has to land on wits alone.

"Flaps, check," he says to the co-pilot, "Landing Gear, check. Altitude, check. Right, we're going in. Hold on."

The plane lands and comes to a screeching, grinding halt; just short of the edge of the runway.

"Holy Cow!" exclaims the pilot, "This must be the shortest runway I've ever landed on!"

The co-pilot looks left and right and says "Yeah, and about the widest, too . . ."

Tense Case

A Needmore man is forced to take a day off from work to appear for a minor traffic summons. He grows increasingly restless as he waits hour after endless hour for his case to be heard. When his name is called late in the afternoon, he stands before the judge, only to hear that court will be adjourned for the rest of the afternoon and he will have to return the next day.

"What for?!?!" he snaps at the judge.

His honor, equally irked by a tedious day and sharp query, roars out loud: "Twenty dollars contempt of court! That's why!"

Then, noticing the man checking his wallet, the judge relents, "That's all right. You don't have to pay now."

The young man replies, "I know. I'm just seeing if I have enough for a few more words."

Fountain of Youth

Two elderly gentlemen are sitting on a bench under a tree when one turns to the other and says: "Slim, I'm 83 years old now and I'm just full of aches and pains. I know you're about my age. How do you feel?"

Slim says, "I feel just like a newborn baby."

"Really!? Like a newborn baby!?"

"Yep. No hair, no teeth, and I think I just wet my pants."
