Eddie Barber

Eddie Barber is a singer/songwriter from Peaksmill, a small farming community near Frankfort, Kentucky. His musical influences to name a few, are artists such as, Hank Jr., John Michael and Eddie Montgomery, Lynyrd Skynryd, Waylon Jennings, and Chris Knight. Eddie knew at the age of seven that he wanted to be a country music performer, and when his mother and father gave him his first guitar at age eleven, there was no turning back. Over the next couple of years, he taught himself to play many of his favorite songs, and he "just flat loved" the way he felt when he played and sang them.
