Do YOU Know YOUR ZONE?

It is important to know the **ZONEs** that you live, work, play and go to school. In the event of a chemical incident or accident at the Blue Grass Army Depot you will be notified what actions to take by the zone you are in.

Please take the time to find out what your **ZONEs** are by looking in the Emergency Calendar we send out each year, Emergency Brochure, visiting our website or just call us and we can tell you.
