DIVISION A - 4-H HOME ENVIRONMENT

improve storage areas in the house or garage; paint the house; wallpaper and decorate a room; remodel the basement.

CHANGING SPACES:

*1323. Room Floor Plan. This exhibit is to be made up of two parts: 1) a mounted printout of a room and 2) folder of the documentation described below. Use the Better Homes and Garden web site www.bhg.com/decorating/arrange-a-room/ or similar software to draw a room (scale: 1 square = 1 foot). Include a door(s), window(s), and furniture. Print in color or black and white (Minimum size 8 1/2 x 11 inches - Maximum size 11 x 17 inches). Mount the printout on mat board or foam core board.

Documentation should include answers to these questions:

1. Is the room you have drawn similar to a room in your house? What are its dimensions? How many square feet are in the room?
2. Did you have problems with the web site or software? If so, how did you solve them?
3. Tell about how you worked with the items in your room such as walls, windows, doors and furniture.

*1324. House Floor Plan. This exhibit is to be made up of two parts: 1) mounted printout of house plan and 2) folder of the documentation described below. Use any software program to draw a house plan. Include bedroom(s), bath(s), living space, garage, door(s) and window(s). Print in color or black and white (Minimum size 8 1/2 x 11 inches - Maximum size 11 x 17 inches.). Mount the printout on mat board or foam core board.

Documentation should include answers to these questions:

1. Does your floor plan resemble the house you live in? If not, did you look at other floor plans for inspiration? What type of roof does your house have?
2. Did you consider how a family member who is disabled (for instance, a wheelchair user) might get around in your home?
3. Describe any problems you had with the software and how you solved them. Tell how you worked with additional items required to create a floor plan.

*1325. Presentation Board - Color Scheme: This exhibit is to be made up of two parts: 1) a presentation board as described below and 2) a folder of the documentation described below. Using the Mississippi web site, (http://msucares.com/4h_Youth/interior_design/index.html) create a presentation board

(color scheme only) for any room in the home. Mount swatches of the actual fabric, wall, and floor or use a web site to download color copies or substitute magazine or scrapbook paper to represent these items on mat or foam core board. The white board should be 11 x 18 inches and the black board should be 13 x 20 inches. In the folder, describe the person who lives in the room and the decisions required in selecting the color scheme.

*1326. Presentation Board - Bedroom: This exhibit is to be made up of two parts: 1) a presentation board as described below and 2) a folder of the documentation described below. Using the Mississippi web site, (http://msucares.com/4h_Youth/interior_design/index.html) create a presentation board (color scheme and room template) for a bedroom. Mount swatches of fabric samples or download color copies or substitute magazine or scrapbook paper to represent these items on mat or foam core board. The white board should be 11 x 18 inches and the black board should be 13 x 20 inches. In the folder, describe the person who lives in the room and the decisions required in selecting the color scheme, floor, wall, and window treatments; describe the furniture and how the furniture was arranged to accommodate traffic flow; describe the floor, wall, and window treatments selected, etc.; and describe what you like most about the room.

*1327. Presentation Board - Great Room: This exhibit is to be made up of two parts: 1) a presentation board as described below and 2) a folder of the documentation described below. Using the Mississippi web site, (http://msucares.com/4h_Youth/interior_design/index.html) create a presentation board (color scheme and room template) for a great room. Mount swatches of fabric samples or download color copies or substitute magazine or scrapbook paper to represent these items on mat or foam core board. The white board should be 11 x 18 inches and the black board should be 13 x 20 inches. In the folder, describe the family who uses the room and the decisions required in selecting the color scheme, floor, wall, and window treatments; describe the furniture and how the furniture was arranged to accommodate traffic flow; describe the floor, wall, and window treatments selected, etc.; and describe what you like most about the room.
