Keep it in your wallet and save room for things like money.

Kentucky Farm Bureau® grew as a membership organization to support Kentucky farmers and promote their livelihood. That naturally led the organization to provide a wide range of membership benefits. Benefits that appeal to farmers – who know the value of a hard-earned dollar. And guess what? Many of those benefits were attractive to city folks, as well. Maybe that’s why so many people in all walks of life, in big cities and small towns all across the state, carry a Farm Bureau membership card in their wallet.
