Buy American-made products if at all possible!  
Help the American economy!

Bunt Gross says, "Be aware of all the ridiculous advertising that no dealer can fulfill. We are here to help our customers any way we can. Call our finance manager, Dwayne Brinegar, for help with any finance problem; or we will work with your bank or credit union -- we know the car business!"

**WARRANTY:** Some dealers try to make it sound very hard, but our warranty is very simple. Every late model car, truck or van has a 90-day, 3,000-mile warranty on everything except tires and the radio system. Most still have the factory warranty, but if you have a problem of any kind, we are here to take care of you the same way we treated you while buying the vehicle.
